

We work hard to make your hunts or wilderness experience the most memorable ever! We are located in northern Maine in central Aroostook county where 1/3 of the total state's bear and moose are harvested as well as some of the largest whitetail deer in North America. We also offer cabin rentals, fishing, small game hunts, ATVing and snowmobiling on some of Aroostook county's 2,000 miles of trails.

"Great week – the lodge is great, cabin great and the food unbelievable."

"I had the time of my life"

We pride ourselves in supporting youth hunting. Bring your young hunter and video his/her hunt for lasting memories.

"Dale and Louise have been the most gracious hosts and have given me the hunt of a lifetime."

SNOWMOBILING

For you snowmobilers we have private trailside camps for rent in the heart of Aroostook County's 2,000 miles of trails.

Guided tours available for those who want to really experience nature at it's best. Let us take you off the beaten path, into the deep woods to get a look at some of Maine's wilderness and wildlife.

"I was very impressed with everything about the lodge and the way you guys run this place."

~~~

*"You have a very special place here."*

## MAINE BEAR HUNTS

We offer two types of Bear Hunts. First is our popular bear hunt over bait. Starts the last Monday of August. We bait plenty of bear sites to make sure each hunter gets a very active site. Second is our bear over natural bait hunts. We will hunt in grain fields and abandoned apple orchards that the bear are feeding in. A challenging hunt.

*"Best and most exciting hunt I ever had:"*

## MOOSE HUNTS

We are located in the middle of zone #6. You will see more moose than you ever could imagine. We operate with a federally inspected slaughterhouse where skinning, cutting, wrapping and blast freezing is available.

*"Great people here and a great place to hunt!"*

## DEER HUNTS

Our area in northern Maine offers some of the largest deer in North America. Come try your luck hunting in Maine's north woods. This trophy weighed 247 lbs with 12 points, scoring 155 1/4.

## AREA ACTIVITIES

- Skiing
- Biking
- Snowshoeing
- Snowmobiling
- Hiking
- Antiquing
- Golfing
- ATVing

*"I can't wait to come back."*
